## Paul D. Camp Community College

- **AS in Business Administration**
- **AS General Business Management**
- **AS Industrial Technology**

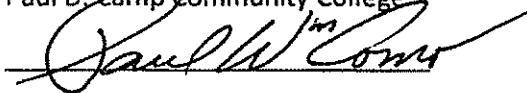

**Statement of Articulation Agreement  
Between  
Paul D. Camp Community College  
And  
The Apprentice School**

Paul D. Camp Community College and The Apprentice School share the broad educational mission of providing opportunities for registered apprentices in the Commonwealth of Virginia to pursue knowledge and gain skills toward more rewarding careers.

Paul D. Camp Community College and The Apprentice School recognize the benefits of facilitating course and credit transfer between the respective institutions and hereby agree:

1. Paul D. Camp Community College (PDCCC) will admit those Apprentice School students who have successfully completed the World Class Shipbuilder Curriculum and who have completed the Paul D. Camp Community College application process for admission into one of its certificate or associate degree programs.
2. Paul D. Camp Community College will accept Apprentice School courses and earned credits stipulated on the Course Transfer Agreement, consistent with its transfer policies, and apply those credits to degree programs in Business Administration, General Business Management, and Industrial Technology, where applicable.
3. Paul D. Camp Community College will provide course offerings for apprentices in line with associate degree programs in Business Administration (AS&S – 216), General Business Management (AAS – 212-01), and Industrial Technology (AAS – 883).
4. Paul D. Camp Community College and The Apprentice School will review this agreement periodically, especially when major changes are proposed by either institution.
5. The attached grid is an articulation agreement between PDCCC and The Apprentice School. It also references, at the request of the Apprentice School, how courses might map to Old Dominion University's programs. Apprentice School and Paul D. Camp Community College students wishing to transfer to ODU should refer to the specific transfer agreements between ODU and PDCCC, and consult the transfer admission information available on ODU's website and the Office of Undergraduate Admissions.
