*The Legacy Continues
 Brick Campaign*

(Brick pavers will be installed in the plaza in front of The Apprentice School)

The Apprentice School Foundation's The Legacy Continues Centennial Brick Campaign is part of The Apprentice School's Centennial Celebration. For 100 years the school has produced over 10,000 graduates that have provided Newport News Shipbuilding with some of the finest shipbuilders and community leaders in Hampton Roads. While proud of the past success, we continue to look to the future.

We are excited to provide this opportunity for friends of the school, alumni and apprentices to participate in The Apprentice School's Centennial Brick Campaign. When making a donation of \$125 or \$250 a personalized brick will be displayed on the plaza in front of The Apprentice School. You can also purchase a small memorabilia mini brick. A mini brick for a 4x8 brick is 1.5x3 (\$25) while an 8x8 brick is 3x3 inches (\$30). It can be used as a paperweight, add a magnet to the back and place it on their refrigerator or simply use it as a conversation piece. This can be your way to leave a permanent legacy and support the vision and mission of the Foundation. Proceeds from the brick program will support scholarships, historic preservation of the school, The Apprentice School Students Association and underrepresented and financially constrained youth of the Hampton Roads Region.
