MEMORANDUM OF UNDERSTANDING

In accordance with this memorandum of understanding between Virginia Wesleyan College (VWC; the "College") and the Newport News Apprentice School (the "Apprentice School"), the College will accept all coursework completed by an Apprentice School graduate at any Virginia Community College System (VCCS) institution, provided that: the final course grade in each course is a C (2.00) or higher, and the College's curriculum has an equivalent course at the time of admission to the College.

Additionally, an Apprentice School graduate who completes an Associate's degree (A.S. or A.A) from any VCCS institution will be eligible for guaranteed admission to the College under the same terms as pertain to the current VWC-VCCS articulation agreement. The Adult Studies office will serve as the initial point of contact and assistance for Apprentice School graduates seeking to enroll in either the College's regular day program or its evening (Adult Studies) program; application for admission may be made at any time during the school year.

This memorandum of understanding will remain in effect for three years from the date of signing, at which time it will be considered for renewal for a subsequent three year term; however, it may be terminated at any time by either party upon 90 days written notice.
