Dear 2020 Graduate:

You have successfully completed the Newport News Shipbuilding apprenticeship program, which is no easy feat—especially in the midst of a pandemic! While COVID-19 will impact how we celebrate this important milestone in your career, we are committed to ensuring your accomplishments are celebrated in a special and memorable way.

Plans are underway to celebrate the class of 2020 in a manner that keeps the Builder spirit alive, and also protects the health and safety of our graduates, their friends and family. This means that the date we previously announced will change, and in the coming weeks, you will receive more detailed information. Our website will be updated as plans are solidified, but for planning purposes, we are targeting sometime in April.

Thank you for your patience and support, and we look forward to recognizing your hard work.
