

You are here: [Home](#) / [Student Organizations](#)

Student Organizations

Get involved outside of the classroom through various student clubs and organizations for both current apprentices and alumni.

Apprentice Alumni Association

Encouraging the development of Apprentice School alumni through participation in civic, social and charitable activities.

The Apprentice School Student's Association

Promoting positive behavior and developing leadership skills through community service, educational and recreational activities.

Apprentice Jaycees Student Chapter

Creating leadership development, business skills and personal growth opportunities for young adults through participation in community service, networking and social events.

Apprentice School Society of Manufacturing Engineers (SME)
Chapter S354

Sharing knowledge of manufacturing through learning, networking, guided tours, guest speakers and interaction with parent chapter members.

The Apprentice School Chapter of the Society of Naval Architects and Marine Engineers (SNAME)

Advancing the disciplines of naval architecture and marine engineering by sharing information, sponsoring research, and offering educational and career guidance to apprentices.

The Apprentice Athletic Club

Creating social and networking opportunities to sponsor and advance Builder Athletics since 1985.

The Apprentice School Foundation

The Apprentice School Foundation supports The Apprentice School's students, faculty, and alumni by providing resources for education, historical preservation and community.
