

**NEWPORT NEWS
SHIPBUILDING**
A DIVISION OF HII

We are excited to introduce you to Apprentice E.D.G.E., a program designed to give you early **VIRTUAL** access to our curriculum and a head start on your apprenticeship journey. **At no cost to you!**

PROGRAM HIGHLIGHTS:

- **Virtual Learning:**
 - Access course material and complete assignments entirely online. All classes count towards our Associate of Applied Science (AAS) degree.
- **Opportunity for Reinforcement:**
 - Retake classes if needed to solidify your understanding and boost your confidence.
- **Competitive Admission:**
 - Successful completion of EDGE courses can help you meet admissions requirements and be exempt from in-person classes as an apprentice.

WHO CAN APPLY*:

- Current apprentices (before WCSC classes begin)
- Those with contingent offers to The Apprentice School
- NNS employees
- High School juniors and seniors
- High School graduates / College students & graduates

You must also meet the qualifications listed in the right column

SELECTION PROCESS:

- Complete an application on our website and submit official transcripts by the deadline provided.
- *To apply, you should:*
 - Hold grades of C or better in Math, Science, and English
 - Have completed Algebra I, Algebra II, and Geometry with a C or better
 - Have access to a computer with a CAMERA and reliable WiFi
 - Provide written consent from a parent or guardian, if under 18.

Qualifying does not *guarantee* admission, which is based on several factors, including timeliness of receiving your documents and the volume of applications we receive.
