

NEW TO EDGE?

Attached is a checklist to consider when enrolling in **EDGE** (Early Development and Guided Education).

We recommend taking these courses in the order they are listed, if you are able to, since this will align best with our curriculum.

*Course offerings are subject to change based on several factors such as enrollment numbers, instructor availability, and company policies.

*You are **not required to do all of these courses through EDGE** and may not have time to do so, if given a start-date at The Apprentice School.
